Dear Mr. Belliss,

Thank you for speaking with me today on the telephone.

Enclosed are the hard copy documents supporting my claim of harassment, threats and alleged cyber stalking by Bernard Kerik and through a friend, third party, John Picciano Jr. As I explained, I have been cooperating with Federal Probation (NY Southern District) Dep Chief Edwin Rodriguez and Probation Officer Kevin Villa. I have made three complaints to those authorities regarding Bernard Kerik who did threaten to "destroy my life". As result, Bernard Kerik, I understand as a condition of his probation is not to have any contact with me. Since that order, he apparently has been sending his close friend, John Picciano, to harass, threaten and "destroy" my life. Bernard Kerik and John Picciano, through the press, social media and "anonymous" calls have threatened my job, my family (my sister is totally disabled) and even strangers. My life is slowly being "destroyed" as Bernard Kerik promised. John Picciano refers to his "friend" in the tweets. John Picciano has harassed and threatened me and others on Twitter Social Media using the nics @lowinformation1 and, bolder yet, @JohnPicciano1. Although John Picciano is a former police/corrections officer, most of the private information he has was not given to him directly. Bernard Kerik does have all my private contact information.

Enclosed you will find the following documents: (Apologies for the printing format. Some items were taken off my smartphone and didn't translate well to screen printouts):

- My last contact information for John Picciano
- My last contact information for Bernard Kerik (In my contacts as "My Pal B")
- Hard copy of text to my personal phone from 07/09/13 where Bernard Kerik threatened to "destroy my life" through releasing my name in a negative and untrue fashion through the media. That apparently is happening.
- Copies of several hard copy tweets over two weeks made in succession with the intent to harass and threatened under Twitter from @lowinformation1 and @JohnPicciano1 where he threatens my employer @••••, gives out my "real name", •••• ••••, threatened to "cuff" me , slanders me @'ing my employer, family, friends and followers. I have had no contact with John since before Bernard Kerik's release. I have had no contact with Bernard Kerik, per Probation orders, since 07/09/13 when the text threat was issued and reported to Probation Off Villa that same day.
- I also included a copy of Arlington VA PD online report T••••• which I made as this was the jurisdiction of John Picciano's last contact information to me. They advised I should bring this to a federal jurisdiction given the Probation case involving Bernard Kerik.
